We Clean, Inc. *NEWSLETTER*

www.weclean-inc.com

Our site is finally up and running.

Now our newsletters will be viewable on the News page of our website.

Check often for company-wide updates and opportunities.

On the Move...

As our list of company clients grows, so does the need for qualified supervisors. And what better place to find these candidates than our own workforce.

Chris Geron – Chris has moved on to run our seven day operation at Lincoln Park Zoo. Chris already has a lot of new ideas that he's eager to implement.

Billy Lord – Billy has worked as a crewmember for us at the Cook County Juvenile Center, as well as a supervisor at Fermilab. Billy has shown such initiative that he is now taking on the challenge of running a staff of 150 at US Cellular Field.

Letter from the President.....

As you can see, I am very excited to have our Website up for all to see. I hope to keep everyone posted on what's happening at We Clean, Inc.

We've been really busy putting together some new employee incentives for 2008. Nothing is finalized, but let's just say that it involves summer and winter box seats.

*Louann Darrus
President, We Clean, Inc.*

THUMBS UP!!

Monica Wade – Thomas Early Childhood Center, was nominated for the "Gotcha" Going Above and Beyond Award by Chicago Public Schools.

De Diego Elementary Community Academy custodians **Guadalupe de la Torre, Tyrone Gibson, Wanda Holmes, Maria Pineda-Alvarez and Michael Welch** were part of a winning all-school team that passed CPS inspection with flying colors.

Looking for a few good men (and Women)

Know any friends or family members looking for some extra cash this summer?

We Clean, Inc. still has a few part-time positions open for those who are interested.

Just call Tomas at our office for more details.
